## Executive Team Application

Dear prospective CONNECT Executive Team Member,

We would like to say thank you for your interest and support in CONNECT. We are excited that you have chosen to take the next step in helping shape this great movement. Being part of the CONNECT Executive Team is a rewarding experience that will help shape and mentor the next generation of leaders in Northeast Nebraska through meaningful conversations, social events, and leadership forums.

Being a member of the CONNECT Advisory Board does require some time out of your schedule and the position is a two (2) year term. There will be monthly Executive Team meetings and quarterly Advisory Board meetings where your presence will be requested. Additionally, there may also be additional meetings for planning events or leadership training opportunities that will request your time and attendance. Your feedback, ideas, and suggestions will be sought after as we seek to enhance the CONNECT mission through various programs and committee events. Choosing to join the CONNECT Executive Team will be a rewarding experience for you both personally and professionally.

If there are any questions about the roles and expectations of the CONNECT Executive Team, please do not hesitate to contact Jarad Dahlkoetter at the Norfolk Area Chamber of Commerce, or a member of the CONNECT Executive Team. Please write legibly and use blue or black ink when filling out this application, or submit a typed application; if additional space is required for responses, please indicate such in the blank space provided and attach the response to the end of the application. This application does require a nomination from a current Advisory Board or Executive Team member. If you are nominating yourself, please include a current Advisory Board or Executive Team member who is willing to be a reference for you in lieu of this nomination.

The application is due on Friday, June 5, 2020.

On behalf of the CONNECT Executive Team, we are very excited to see your interest in joining the CONNECT movement. Throughout the next two years, we will shape the young leaders of Northeast Nebraska and create a truly meaningful difference right here in our communities.

Sincerely,

The CONNECT Executive Team
